Gentlemen:

This is in reply to your recent letter requesting a copy of an exemption letter.

Due to our records retention program, a copy of the original letter is not available. However, records in this office show that a determination letter was issued in April of 1943 ruling that the organization was exempt from Federal Income Tax under the present Section 501(c)(3) of the Internal Revenue Code of 1954.

Further, the organization is not a private foundation because it is an organization described under Section 509(a)(2) of the Code.

This ruling remains in effect as long as there are no changes in the character, purposes, or method of operation of the organization.

If you have any questions, you may contact the person whose name and telephone number are shown in the heading of this letter.

Please keep this letter in your permanent records.

Sincerely yours,

THOMAS P. COLEMAN
District Director
