There Is No Single Face of Hunger.

On any given day at the **Anja Rosenberg Kosher Food Pantry**, you might meet an older adult whose pantry visit means they don't have to choose between groceries and medication. A family rebuilding after a layoff upended their finances. A Holocaust survivor choosing ingredients to prepare a beloved family recipe. Or a Muslim mother selecting kosher foods that align with her family's halal dietary needs.

These are just a few examples of the many people who turn to JFS for support each year. While their stories are different, every client is welcomed with compassion and respect. And as food costs remain high and economic uncertainty grows, more neighbors are turning to JFS to feed their families.

The *Responding to Hunger Event* on November 12, 2026 is more than a fundraiser. It is a celebration of what we can accomplish when businesses, community leaders, and generous individuals come together around a shared commitment to caring for our neighbors. Every sponsorship helps sustain the Anja Rosenberg Kosher Food Pantry while demonstrating your organization's investment in a stronger, more compassionate Greater Hartford.

Thank you for considering a partnership with JFS.

Together, we can ensure that no one in our community has to face hunger alone.
