### **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors of Jewish Family Services of Greater Hartford, Inc.

### Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Jewish Family Services of Greater Hartford, Inc. (the "Agency") which comprise the consolidated statements of financial position as of June 30, 2017 and 2016, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

### Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Jewish Family Services of Greater Hartford, Inc. as of June 30, 2017 and 2016, and the consolidated changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Other Matter

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating schedules of financial position and of activities on pages 16 through 19 are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Guided by the highest professional standards in counseling, advocacy and educational programming, the Agency's mission is to enhance and strengthen quality of life through the Jewish tradition of caring and compassion. The Agency achieves its mission by helping individuals and families progress toward emotional well-being, self-reliance and more positive relationships. The Agency has been in existence since 1912.

Services include programs for persons with chronic needs and disabilities, family counseling, Benet A. Rothstein Child Services Program, older adult services and geriatric care management, the Holocaust Survivors Grant Programs, and Empowering People for Success (a state funded welfare to work initiative). The Agency also has a Volunteer Program. As part of the Agency's Economic Response Services, it offers a Kosher Food Pantry Program, Basic Human Needs Assistance, Case Management, and the Jewish Employment Transitions Service ("JETS") which addresses the needs of unemployed persons to develop new job seeking skills and secure new employment. The Agency continues to provide bilingual counseling to Russian speaking individuals resettled by the Agency. The state-mandated Parent Education Program and Focus on Kids programming, enables the Agency to support families in transition with children who are dealing with divorce, separation or custody matters.

The Agency is licensed by the State of Connecticut Department of Public Health as an Adult Outpatient Psychiatric Clinic and by the Department of Children and Families as an outpatient psychiatric clinic for children and teens up to age eighteen. The Agency is nationally accredited by the Council on Accreditation ("COA") through July 2019. The Agency is also an active member of the Connecticut Council of Family Service Agencies.

All operations of the Agency are overseen by a voluntary Board of Directors whose members are representative of the local community. The Agency receives funds from federal and state agencies and grants from community foundations. The Jewish Community Foundation and the Hartford Foundation for Public Giving are significant philanthropic funders. The Agency also receives contributions from individuals and family foundations. The Agency is further supported by federated giving through the Jewish Federation of Greater Hartford and the United Way of Central and Northeastern Connecticut.

Revenues from clients and private insurance as well as public insurance (Medicaid and Medicare) are additional sources of funding.

Jewish Family Services of Greater Hartford, Inc. includes the activity of JFS Care at Home, LLC (the "LLC"). The LLC, for tax purposes, is a disregarded limited liability company formed in 2008. The LLC is a comprehensive companion and homemaker service for older adults who need assistance to remain in their homes, apartments or assisted living facilities. The LLC's sole member is the Agency; its Board of Managers is comprised of the Agency's Executive Director, their Director of Clinical Services and the Director of JFS Care at Home. The Board of Managers is responsible to the Agency's Board of Directors.

Intercompany transactions between the Agency and the LLC have been eliminated in consolidation.

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Financial Statement Presentation</u> – The accompanying consolidated financial statements have been prepared on the accrual basis of accounting. The Agency reports information regarding its activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. They are described as follows:

*Unrestricted net assets* – Net assets not subject to donor imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor imposed stipulations that may or will be met by actions of the Agency and/or passage of time.

Permanently restricted net assets – Net assets subject to explicit donor imposed stipulations that they be maintained permanently by the Agency.

To ensure observance of limitations and restrictions placed on the use of resources available to the Agency, the accounts are maintained in accordance with their respective fund group. The assets, liabilities and net assets are classified in accordance with specified restrictions or objectives; funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group as follows:

Chronic Needs
Family Counseling
Child Clinic
Older Adult
Holocaust Survivors

Empowering People for Success Other Programs JFS Care at Home General and Administrative

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities, if any, are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. Donor-restricted contributions whose restrictions are met in the same reporting period have been reported as unrestricted support in the consolidated statements of activities and changes in net assets.

<u>Tax Status</u> – The Agency was granted an exempt status under Section 501(c)(3) of the Internal Revenue Code. Under Section 501(c)(3), the Agency is generally exempt from federal and state income taxes. JFS Care At Home, LLC is considered a disregarded entity for tax purposes, and as such falls under the tax status of Jewish Family Services of Greater Hartford, Inc.

<u>Fair Value Measurement</u> – The Agency follows the Fair Value Measurements and Disclosures topic of the FASB Accounting Standards Codification (FASB ASC 820), which defines fair value and establishes a framework for measuring fair value in generally accepted accounting principles. The topic defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The topic also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Three levels of inputs may be used to measure fair values:

- Level 1 Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.
- Level 2 Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3 Significant unobservable inputs that reflect the Agency's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Valuation techniques based on unobservable inputs are highly subjective and require judgments regarding significant matters such as the amount and timing of future cash flows and the selection of discount rates that may appropriately reflect market and credit risks. Changes in these judgments often have a material impact on the fair value estimates. In addition, since these estimates are as of a specific point in time they are susceptible to material near-term changes.

<u>Investments</u> – The Agency has a limited pool of funds that is currently managed by the Jewish Community Foundation. The Budget & Finance Committee of the Board is charged with oversight/review of the fund investments. The actual investment strategy, management, purchases and sales of assets is delegated to the Investment Committee of the Jewish Community Foundation. The Agency follows an investment policy to meet its primary investment goals of preserving the long-term purchasing power of the Agency's assets, while providing the maximum funding possible for the Agency's overall operations.

<u>Contributions</u> – Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used, and gifts of cash or other assets that must be used to acquire long-lived assets, are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Agency reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

<u>Fee Income</u> – Fee income is reported at the estimated net realizable amount from patients, third-party payers, and others for services rendered. Revenue received under cost reimbursement agreements is subject to audit and retroactive adjustment by third-party payers. Provisions for estimated adjustments have been reflected in revenue. Differences between estimated adjustments and final settlements are recorded in the year of settlement. Management reviews the collectability of its receivables and establishes an allowance for doubtful accounts for receivables that may not be collected.

<u>Estimates</u> – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

<u>Equipment and Leasehold Improvements</u> – Furniture and equipment is stated at cost. Depreciation is recorded on the straight-line method over economic lives of five to seven years. The Agency follows the practice of capitalizing, at cost, all expenditures for fixed assets valued at \$500 or more.

<u>Cash</u> – The Agency maintains its cash in bank accounts, which, at times, may exceed federally insured limits.

<u>Subsequent Events Measurement Date</u> – The Agency monitored and evaluated any subsequent events for footnote disclosures or adjustments required in its financial statements for the year June 30, 2017 through December 15, 2017, the date on which the consolidated financial statements were available to be issued.

### NOTE 3 - ACCOUNTS AND PLEDGES RECEIVABLE

Accounts and pledges receivable represent amounts billed or unconditional promises to give which have not yet been received, which are expected to be collected in less than one year. Pledges receivable are due in less than one year and therefore no discount has been calculated. As of June 30, 2017 and 2016, the allowance for doubtful accounts was \$10,000.

### NOTE 4 – FUNDS HELD IN TRUST BY OTHERS

Funds held in trust by others represent investments that are being held for the benefit of the Jewish Family Services of Greater Hartford, Inc. by the Jewish Community Foundation of Greater Hartford, Inc. (the "Foundation"). The Agency also has other investments that have been donated that are maintained in a separate account. The value represents the Agency's share in the pooled investments at current market value as provided by the Foundation.

The Agency has no control over how the funds are invested and sufficient notice must be given to the Foundation prior to requesting a distribution. The Agency receives statements on a quarterly basis from the Foundation, whose investments are mostly valued using Level 1 inputs. The Agency's investment in the Foundation is valued using Level 2 inputs.

The Agency follows the Not-for-Profit Entities topic of the FASB Accounting Standards Codification, (FASB ASC 958) which describes the information that needs to be disclosed regarding its endowment funds. The topic requires certain minimum disclosures that are the description of the Foundation's spending policy, as well as its endowment investment policies. It also requires the following disclosures regarding the composition of the Foundation's endowment by net asset class and a reconciliation of the beginning and ending balance of the Foundation's endowment.

The reconciliation of the Agency's endowment by net asset category is as follows:
