

BACK TO SCHOOL 2020

Families in Connecticut spend an average of \$1,000 annually for clothing for children. This is impossible for many. Especially now.

HELPING IS AS SIMPLE AS 1 - 2 - 3!

1

Donate new masks.

If you are already shopping for your child, **add an extra mask to your cart**. You can have the new masks shipped to our West Hartford office, or drop-off at your convenience. **Here is a link to some masks** currently available online.

2

Make a monetary donation.

Your cash donations are tax-deductible and go **directly to families** in need. Give online now by clicking **here**.

This year, we will use the donated funds to purchase gift cards so that families can shop for what they need for Back to School.

3

Share our message.

Caring in always in style. **Tell your friends about the Tara's Closet** Back to School campaign, and the need for new masks and clothing in our community. **Like** us on Facebook, **Love** our posts, and use the hashtag **#TarasCloset** when posting on social media.

Tara's Closet comprises a dual mission:

to provide clothing to clients in a confidential and dignified manner and to raise funds to spread awareness about mental illness
